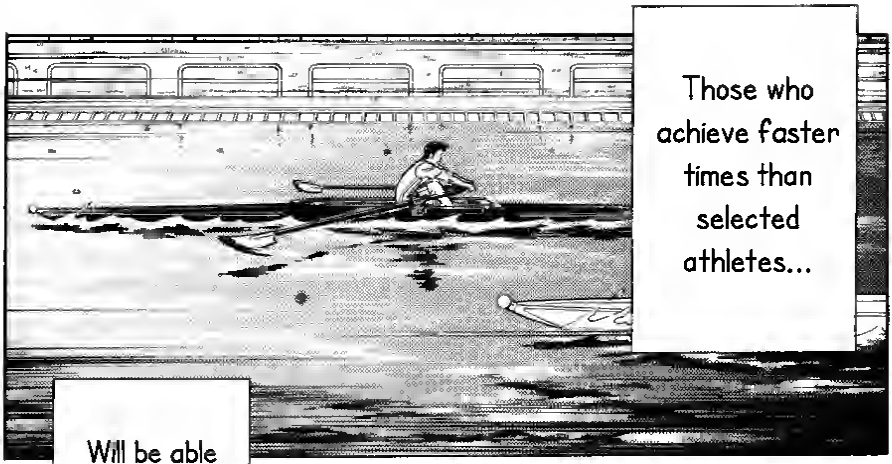
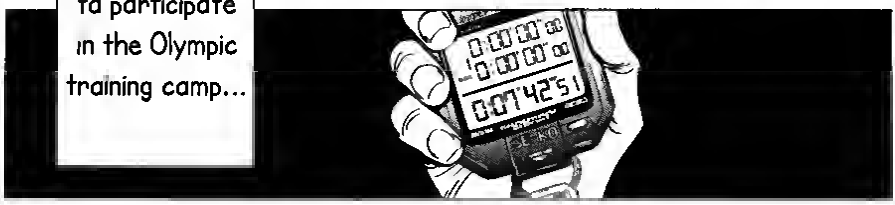
WHISTLE
Olympic trials are being held all over Japan—



Those who achieve faster times than selected athletes...



Will be able ta participate in the Olympic training camp...

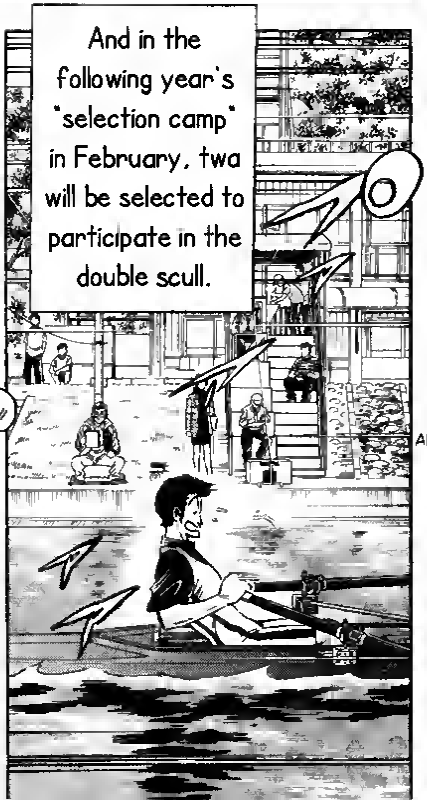
Hmph
It's not that easy to get onto the national team...
Has anyone caught your eye?
How's it going, Head Coach Mori?



And in the following year's "selection camp" in February, two will be selected to participate in the double scull.

Well
The national team members are in it to win, too...
The one to watch out for is Kajiwara from Okita Autos...

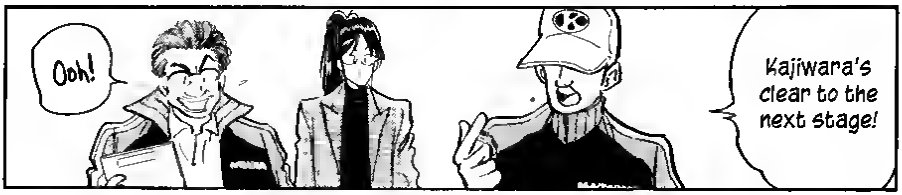
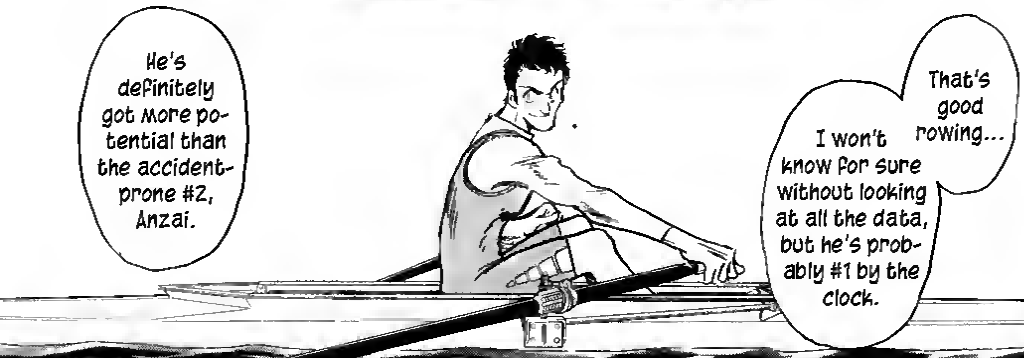
SFX: SPLASH



Ooh!
Kajiwara's clear to the next stage!



He's definitely got more potential than the accident-prone #2, Anzai.
I won't know for sure without looking at all the data, but he's probably #1 by the clock.
That's good rowing...

Yes... one more...

If you're talking about potential, there's one more guy...

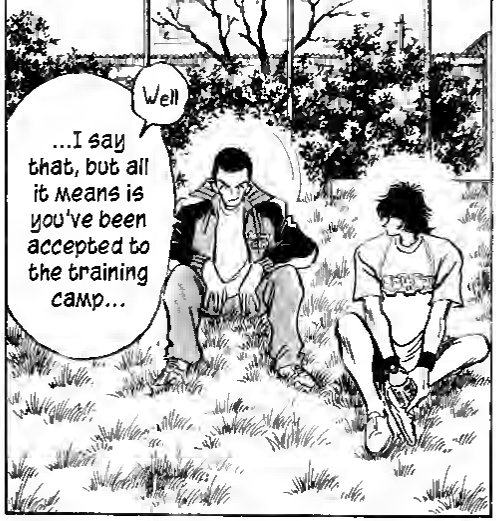
Ah... Kajiwara-san



Well
...I say that, but all it means is you've been accepted to the training camp...

Congrats on making the team!

Thanks.

The training camp's a survival game...
There's only two seats in a double scull after all...

Hey, Oosawa said something that arrogant?
Talking big, that bastard ...
As you all know, the top-ranked pair of Taki and Anzai are positioned to represent Japan in the men's double scull.
We must, however, approach the competition not as individual athletes, but as a nation.
From now on, gentlemen, consider yourselves at the starting line...
At this training camp, we expect you to display both strength and improvement,
And we will send the strongest pair among you to the Olympics...

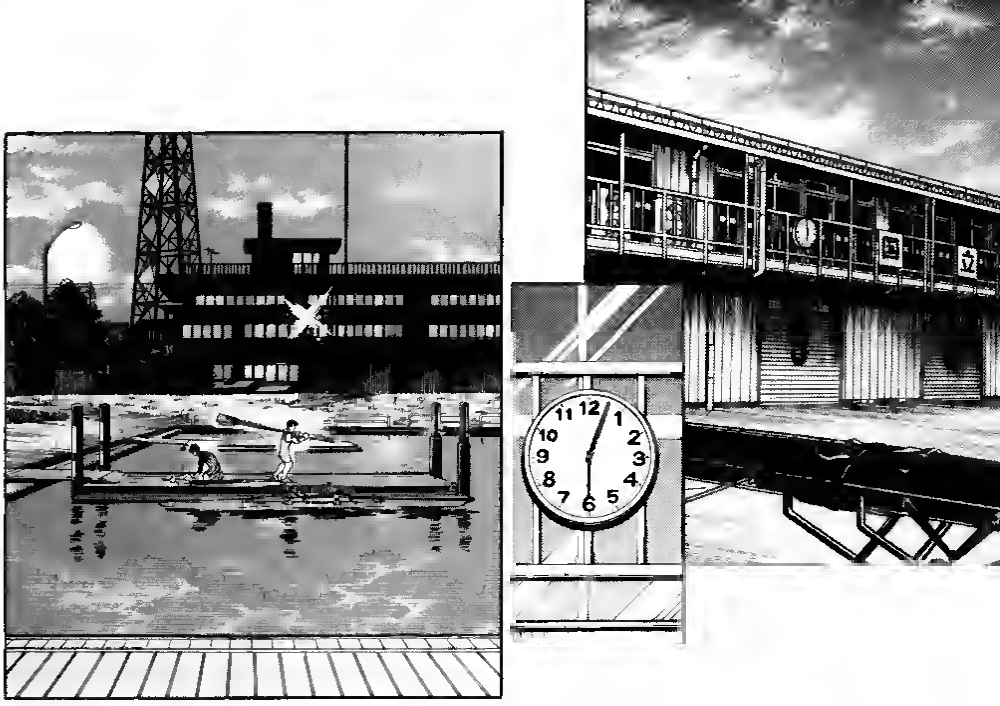
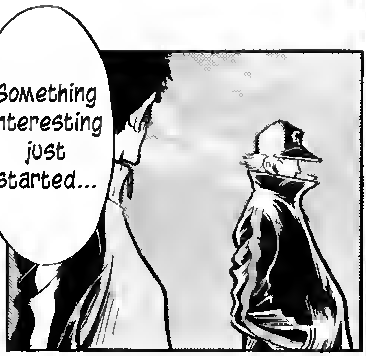
What's scary...
Is how good it feels...

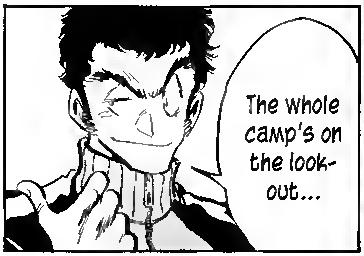


Oosawa-kun...
You sit stroke.

From now on, we're rivals...
I don't want you scrutinizing how I row.



Something interesting just started...



The whole camp's on the look-out...

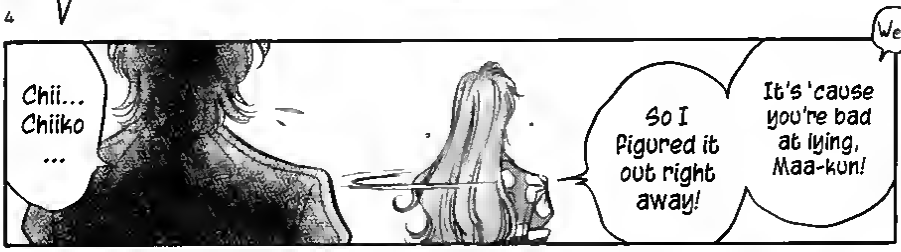
Truth is, you really hate tomatoes, don't you?



Chii... Chiiko ...
So I figured it out right away!
Well

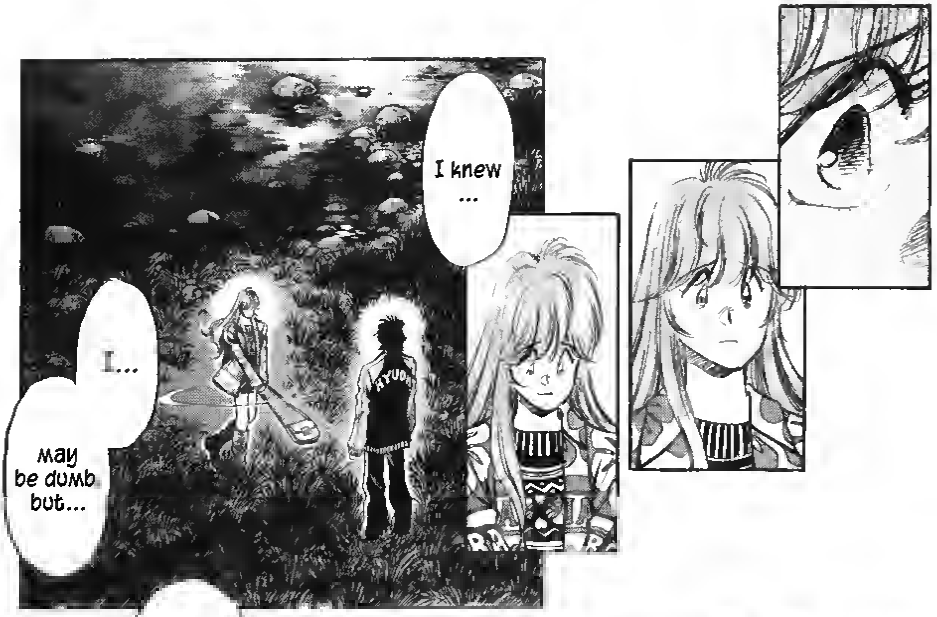
I ended up slapping Misao-chan ...
What?
that she followed you all the way to Matsuyama ...
I mean, Misao-chan... loved you so much...
Even though she told me she was still in love with Kurata-kun...
she lied to me...
The one Misao-chan loved was you...
It was you...

And...
Maa-kun...
RRC
you're also in love with Misao-chan.

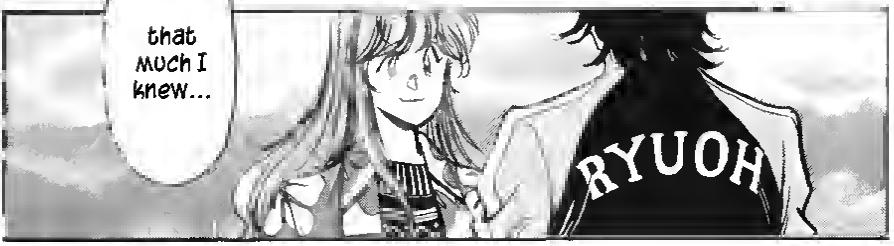
...Right?
8
Isn't that right...?

Yeah ...
that's right...
I love Misao...

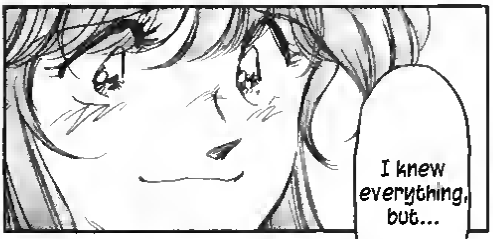
since even before we met Kurata...
I've loved her...
all along...
RRC



I knew ...
I... may be dumb but...
RYUOH



that much I knew...
RYUOH



I knew everything, but...

I knew about...
your feelings ...

Hearing the words ...

It has to be a gold medal!
You have to!

Bye bye ee!

Um

You're not al-lowed to forget!

Thank you, Chiiko...
thanks to you, I was able to start rowing again...

SFX: SPLASH
The last day of December—
The end of the last day of the national team's first training camp...

JOHNAN
Depending on their results in this session's trial race, participants are selected to join the second training camp in January...
5

Where they will again be evaluated...
Yeah!

Culminating in the selection of Olympic representatives by a meeting of the board of directors in February–

龍王大学艇部合宿所
Congrats, Oosawa-senpai!!
You're through the first round! Banzai!
Next stop, the Olympics!
Yeeeah, Oosawa-san!
You're going to the Olympics for sure!
And taking the gold!
You're wasted already, Yagi...
The races are going to get serious in the second round, Oosawa...
Everyone's gathering their strength during this break...
Taki's also going to get serious...
Yes, he is...

4

We'll support you too!
With anything!
Oosawa! We'll practice with you as much as you want!
Well
We can't really keep up, but we'll sure try!
Make this guy go to bed already...
An' I'm goin' with you!
That'ssssh right, Oosawa-san!
You're going to the Olympics for sure!
Gold medal!
Gold medal!
Gold medal!
Ohh yeah

Leaving things like this...
doesn't feel right...

What we need is... closure...

And so–
I went back to my hometown...

You look good!
It's been a really long time!
Geez

But still...
the club's gotten bigger...

Oosawa! It's Oosawa!
That's Oosawa Makoto?
It's Oosawa!
It's really Oosawa!

Hyatchoo!

LET'S DO IT!
Are they idiots or what...
Under your coaching?
We haven't just grown in numbers, but also in strength!
We're definitely ready to beat East High!

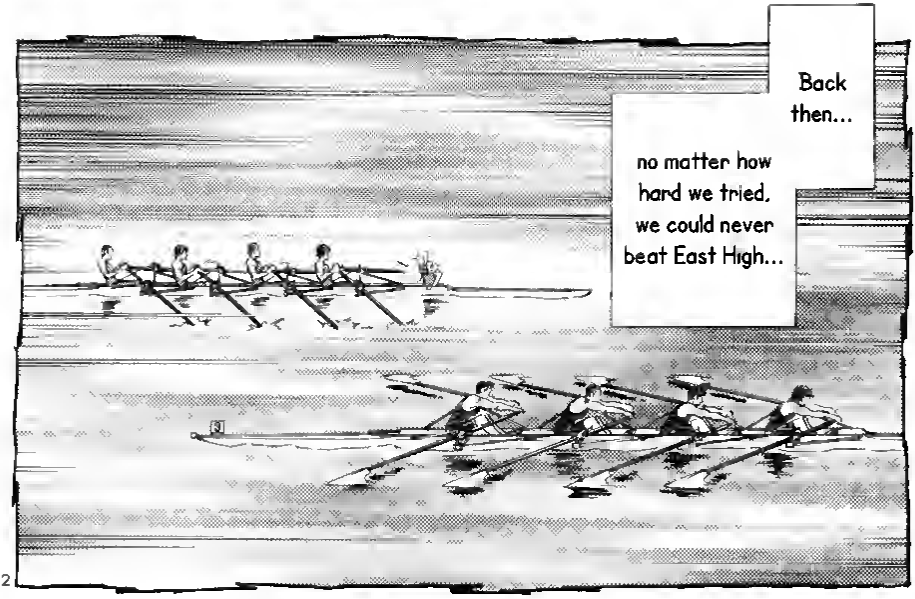
Dumbass!!!
How're we supposed to beat East High going that slowly!
Oosawaaa! Match your pace!
We've gotta step it up!



Back then...
no matter how hard we tried, we could never beat East High...

and even now...
I've never been able to beat Kurata...

I want to do some practice here during the New Year's break...

can you spare a boat?
SFX: SLAP

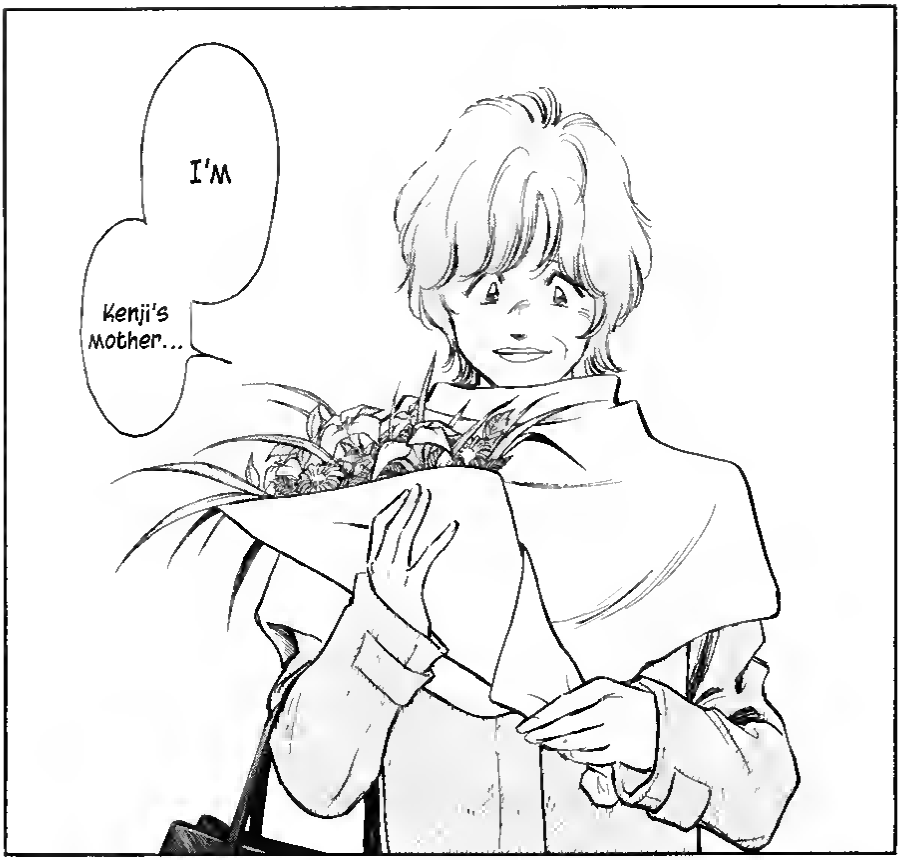
So I came to get some closure...
so that we can move on...
Oosawa-kun...?
You're... Oosawa Makoto-kun, aren't you?



I'M

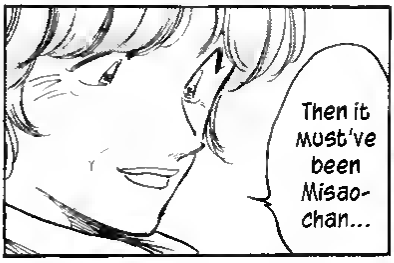
So you finally came to pay a visit...
we've been waiting...

Oh...

16

Um... I...



Then it must've been Misao-chan...

倉田家之墓

Misao-chan came back here... around the fall...

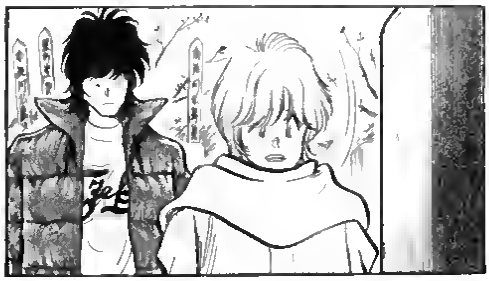
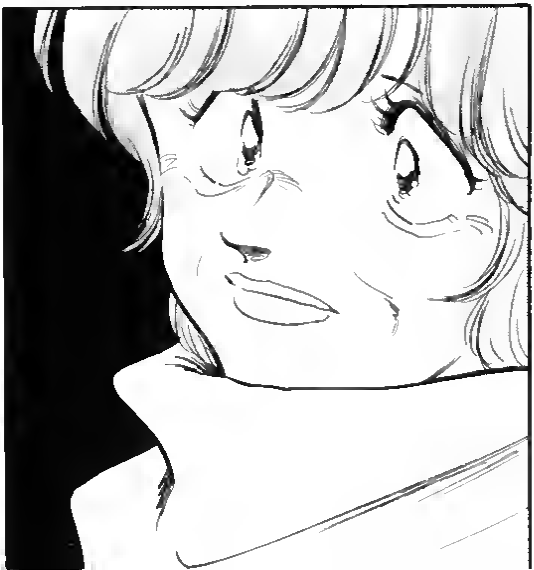
Chapter 50
Why...



TOMBSTONE: "KURATA FAMILY GRAVE"

2



There was never a day when Kenji didn't talk about you...
Hmm
You're just like I thought you'd be, Oosawa-kun..
倉田家之墓
Huh..?
Kurata..
talked about me..?
"He's rough around the edges, but he's got amazing power!"
"There was a really interesting guy there!" he said..
His eyes were shining when he got back from a match one day..
It started when he was in high school, I think..
鈴木松之義
3
He'd tell me about you every day when we talked on the phone..
and it sounded like he was having a great time..
And he was so happy when you ended up at the same university..

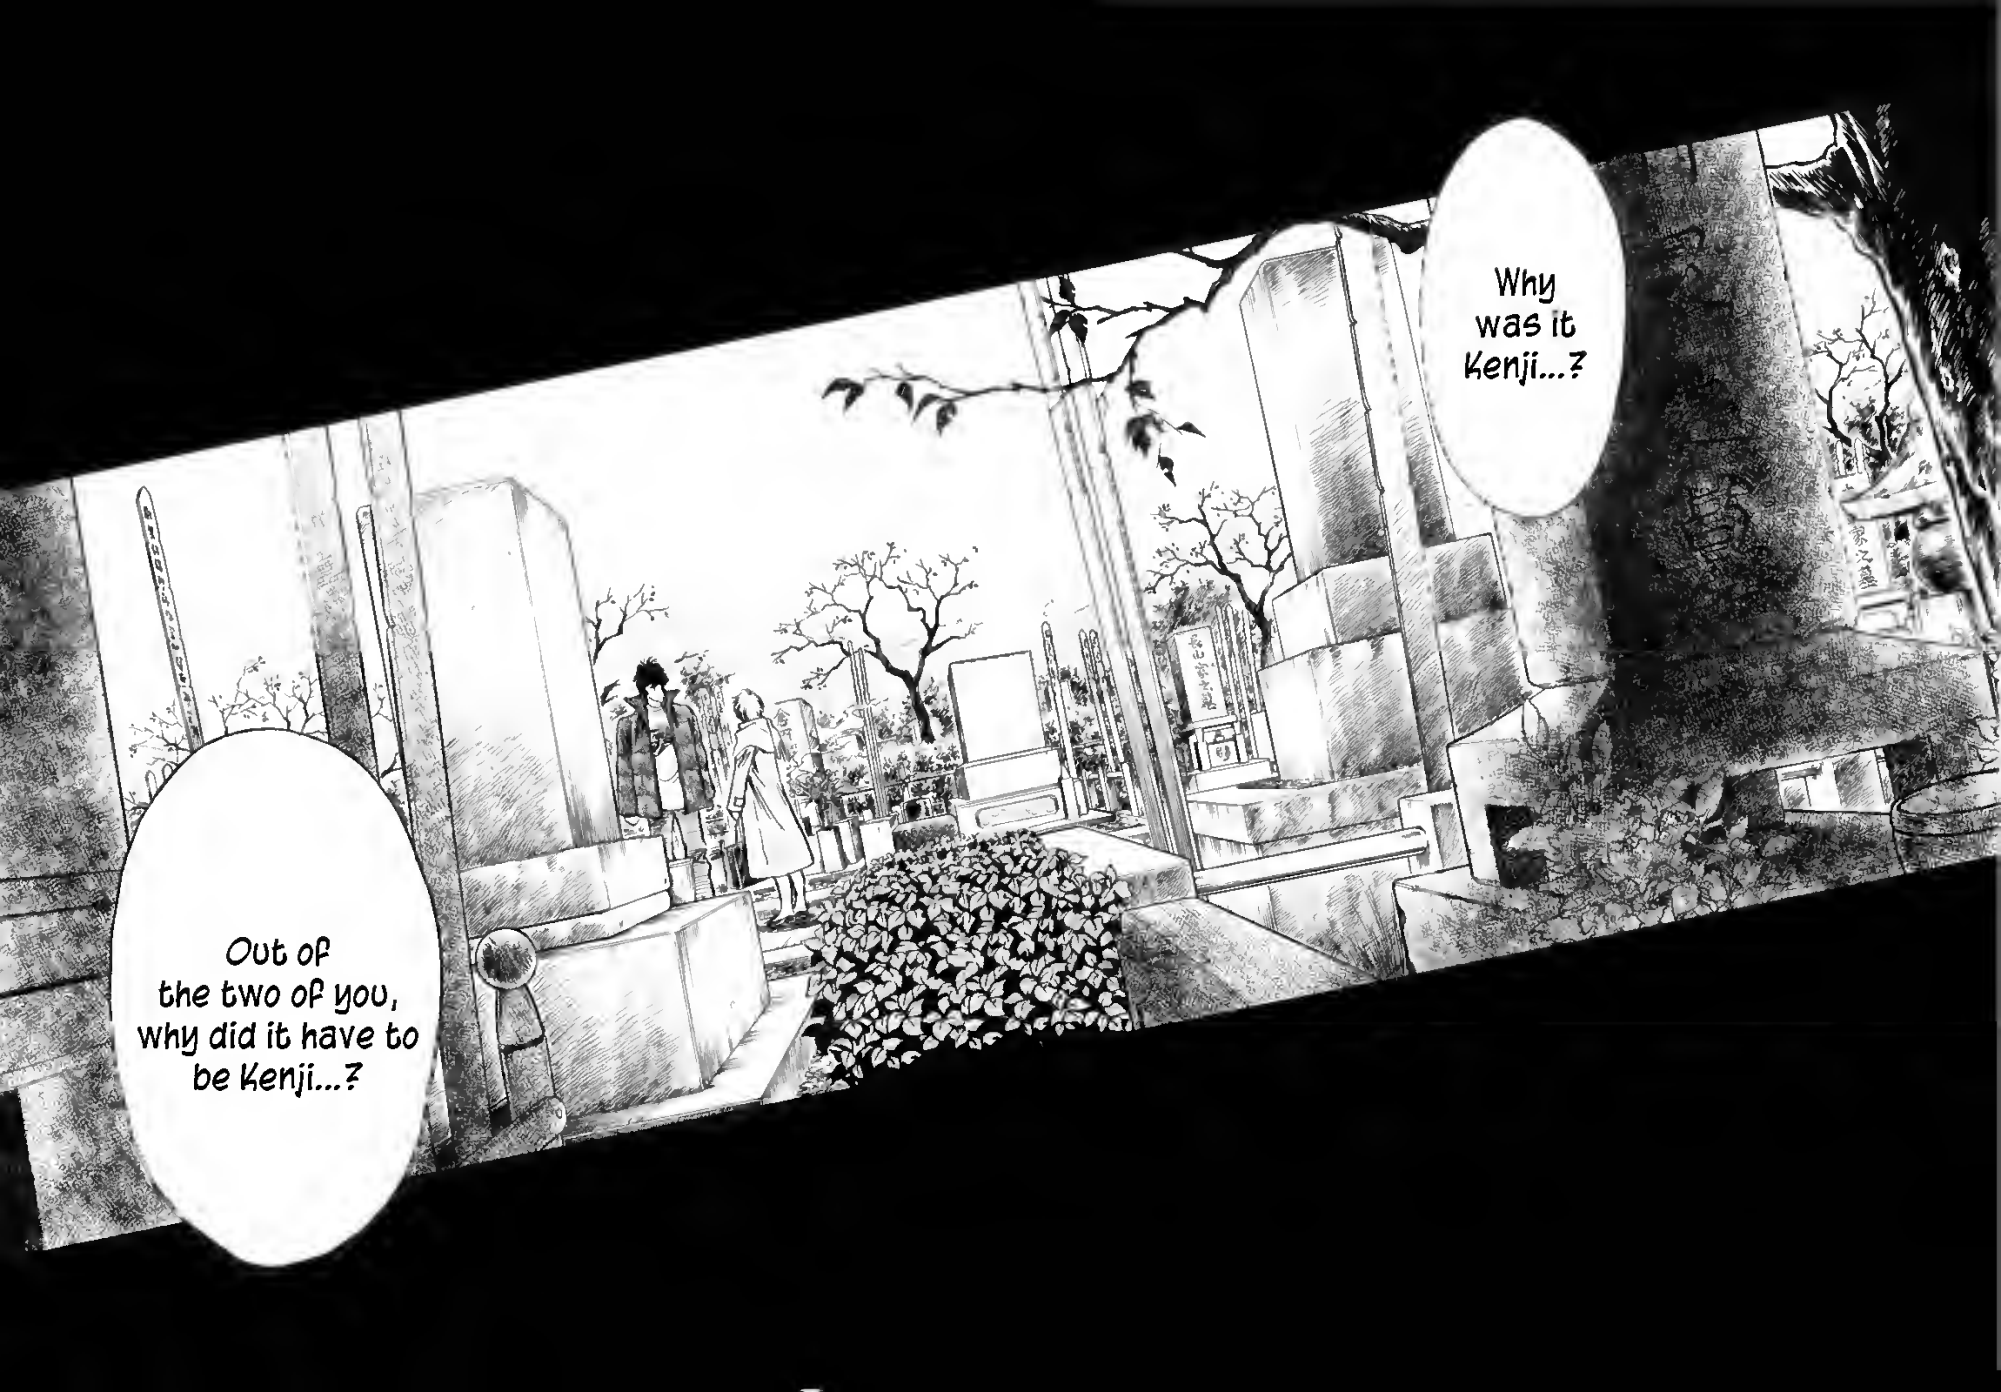
It was the opposite for me..
during high school. I never beat him, not even once..
And to tell the truth, I didn't like being at the same college with him at all..
RYUOH
Everything he said and did pissed me off...
RRC
And when we joined the club, we just fought every day...

I had no idea at all...
how I really felt...
All I thought about was...
"I don't want to lose to Kuraba"
about him,
I only thought "I don't want to lose to Kuraba"...

Seriously, that's the only thing I could think about...

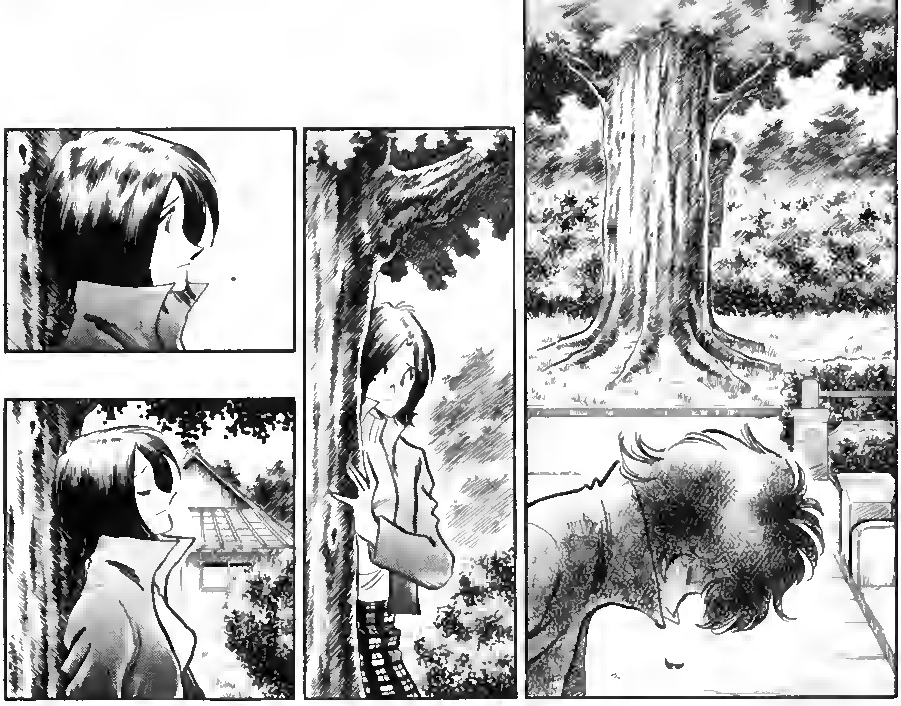
倉田家之墓
佐藤家之墓
倉田家
You raced to your limits...
Because you recognized each other as rivals..
And so,
you had a race, didn't you..?
He refused to lose...
and tried too hard...
And he...

竹原

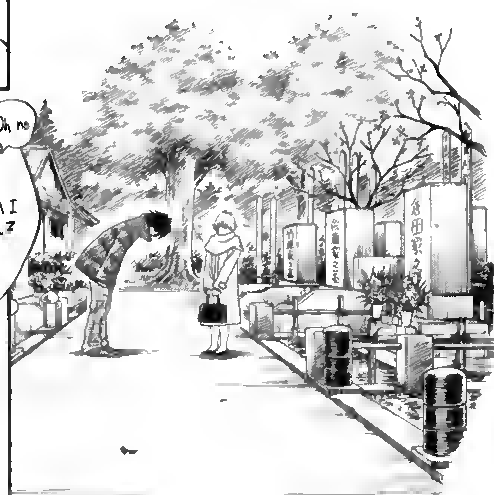


Why was it Kenji...?
Out of the two of you, why did it have to be Kenji...?

Why...?
Why...?



Even though you went to the trouble to come here,
Kenji's going to be mad at me..
Sorry
Oh no
What am I saying...?

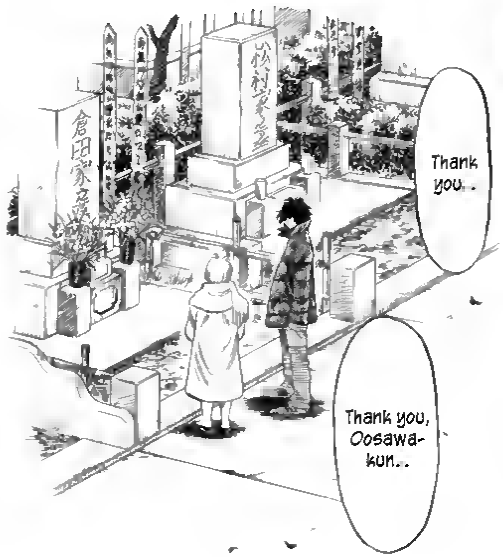


Mrs. Kurata,
I don't know if I can ever forgive what you said just now...
but I'm also rowing for him...
I can't help thinking that way...
But nevertheless,
as a parent...
倉田家之墓
Huh...?
Please forget about Kenji...
and live for your own sake...
You...
and Misao-chan both...
You should row for your own sake...
倉田家之墓

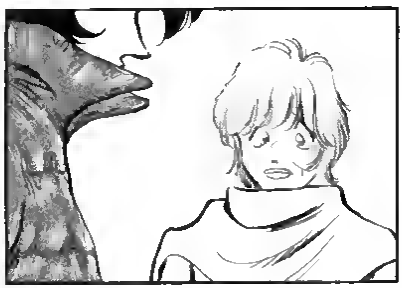
That was the one promise I made to him...
No
I'm taking Kurata with me...
to the Olympics...

He and I...
and Misao...
we made that promise.
So, if I don't keep it, there'll have been no point in us meeting...

倉田家之墓
I'll definitely
come back with the gold medal
Definitely..
14



Thank you..
Thank you, Oosawa-kun..



Did you by any chance hear what I said?
So, you were here...
I know... I'm speaking too early...
Yeah...

So please,
don't run away anymore...
but we're going to the Olympics together...
and taking the gold medal...

Just watch...
Watch us go...

O... kay.
Okay ...

I'm looking right at you...

I'm looking...

Hello!
Hello!
Hello!
The first day of winter break-
A new coach came to our rowing club at Senba West High Shool...
Oosawa-senpai's a former member of the club and an Olympic hopeful...
Hey, you lot!
Use your bodies to realize Japan's top-class rowing, taught by yours truly!
What're you talking about...
Weren't you the cox?
膳場西高校漕艇部
If someone like this coaches us, we'll definitely become stronger!
And so, we're one step closer to realizing our goal to "defeat East High!"

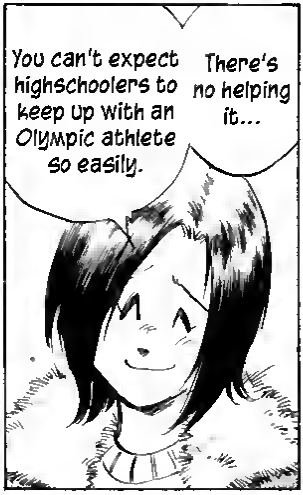
Chapter 51:
Like Old Times

Ooh
Odagiri!
Long time no see!
Hellooo!!
Ooooh
Thank 'ya!
Here
For you guys! ♫
It's very, very quiet right now...
How's it going?

4

Maybe I'm not cut out for coaching.
Why do I suck...
No
The Olympic hopeful's the one who's down...
Huh...?

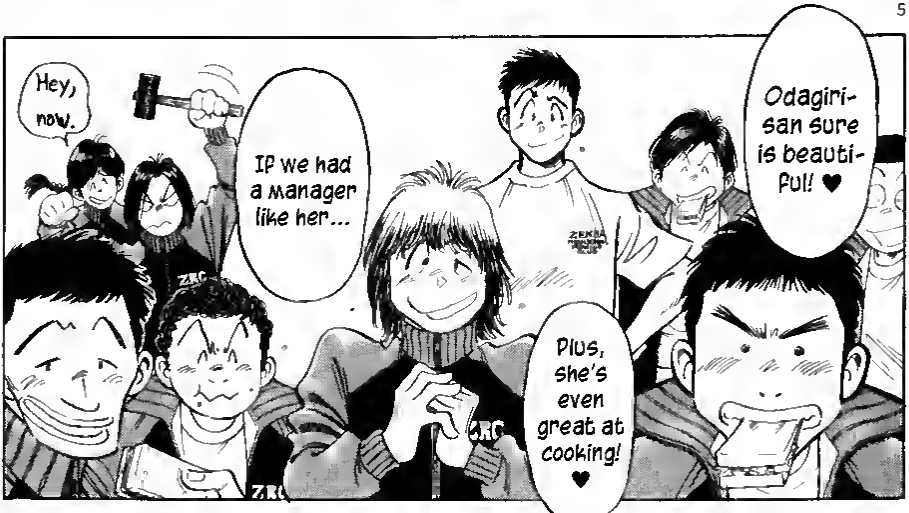


You can't expect highschoolers to keep up with an Olympic athlete so easily.
There's no helping it...

These're great!
Deel-ish!
Yum, yum!
Thanks for the food!
Oooh! Sand-wiches!

Get a hold of yourself, Oosawa...
Not hungry ...
I took out the toma-toes
You have some, too, Oosawa-kuun.

5



Hey, now.
If we had a manager like her...
Odagiri-san sure is beauti-ful! ♥
Plus, she's even great at cooking! ♥

How could she not be?
...I guess.
But, that atmosphere...
Does that mean she's Oosawa-san's girl?
So Olympic athletes attract a different level of girl...
RRC

Yeah
He sucks...
He seriously sucks...
Ah.
But he sure is bad a handling the oars.
RRC

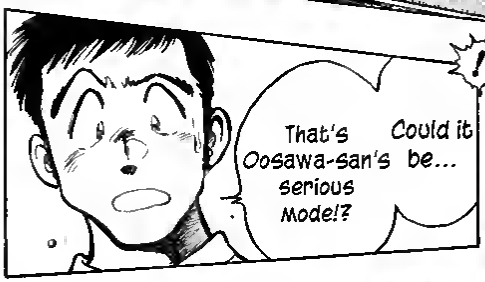
And so, practices with Oosawa-senpai continued in happy harmony... (lol)
He was just starting to get over it!
Hey, you!
SQUEE!

However, at the next practice...
Okaaay! Let's go around twice more!!
Catch
Row
Wah...
Row
Catch
Ho

Enough Already
I'm quitting tomorrow
I give up.
No more...
8
We're seriously gonna die...
This amount of training is messed up...
Haa
Haa
Haa
Haa
Imamura!
I'm taking a single out!!
RRC
He's a monster...
What crazy stamina ...
He's still gonna row!?
You've gotta be kidding.

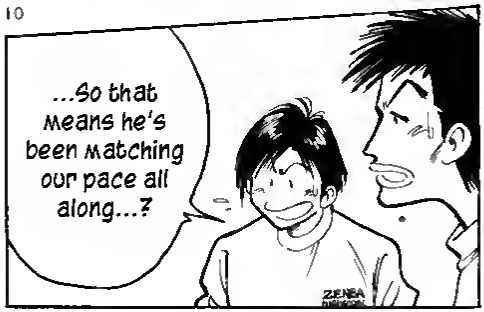
9
SFX: SPLASH
SFX: SWOOSH
ahh!
Haa
aaa

SFX: CHURN



That's Oosawa-san's serious Mode!?
Could it be...!

He's... Past!
What's with that speed!?



...So that means he's been matching our pace all along...?

I saw him running through the Setagawa Marshes this morning.
He was on the ergo Machine until late last night, too.
When Oosawa-san gets serious, he always rows like a streak of light...
You guys didn't know?
Hmm?
He's been practicing along with us...
And still doing all that...
How can a person train that much?
That's nothing like what we do...
He's incredible, after all...
He's incredible...

We had no idea...
Anyway, we regretted what we said...
Excuse me! Please go ahead!
Fight!
Fight!
Fight!
We felt bad...
Fight!
Good morning!
SFX: HNNNNGGH
BOUNT
SFX: VRRM VRRM
We tried out hardest to follow Oosawa-san, even if it killed us.
So, That's why...

What's this...?
Like I know...
And we trailed after Oosawa-senpai...
RESTAURANT Denny's House
All right!
This is the last time, so give it your best shot!!
Grrah!
Nrrgh!
Ooohhh!
They've got energy, this lot...
And so, winter vacation went by in the blink of an eye-

Row
Catch!
Row

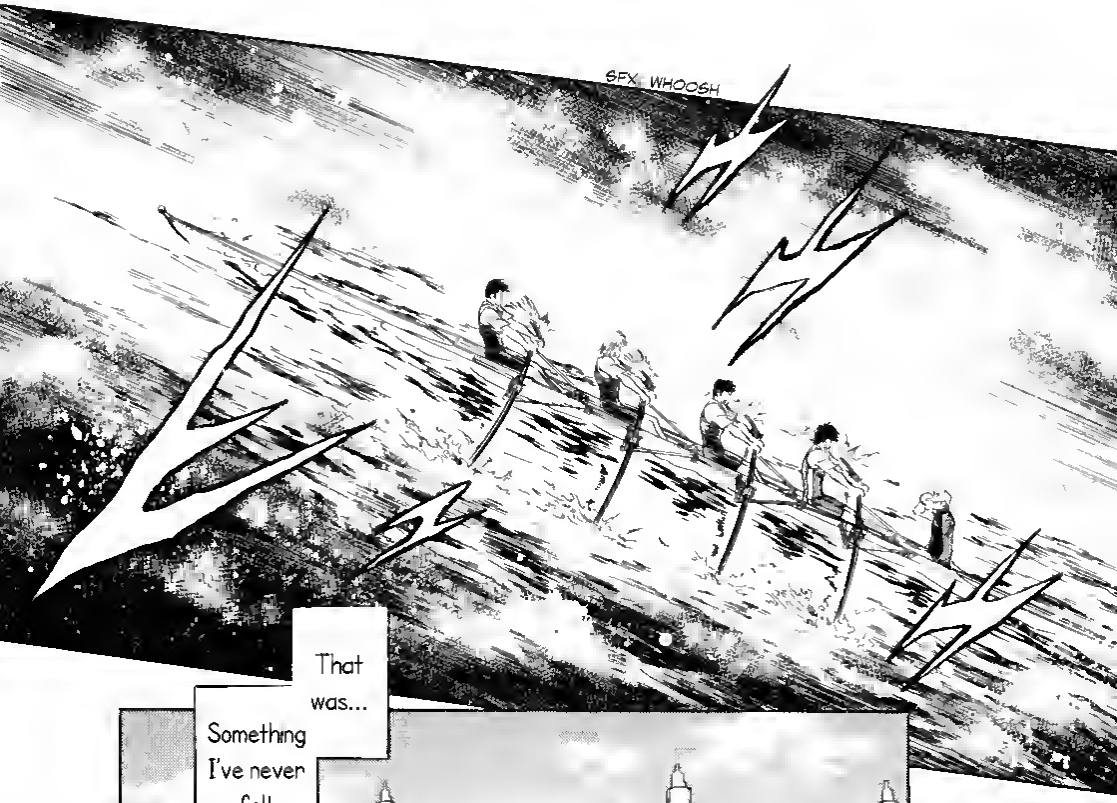
SFX: RUMBLE

What is this...!?
This speed...
It's different...
SFX: ZOOM
SFX: ROAR



That was...

Something I've never felt before

16

Later, he told us it was the "entrance to the wind"

STARE...

By the way, I've been narrating this story.

We "became the wind..." (or something)

We can win with this!
We'll definitely beat East High this time!
We owe a lot to Oosawa...
These guys leveled up thanks to him...
Oosawa-san probably owes a lot to you, too...

YES
SIR
!!!
I can't hear you!!
yessir
C'mon
Let's go!
Look how comfortable he's become...
And how happily he's rowing...
boat

It's just like old times...

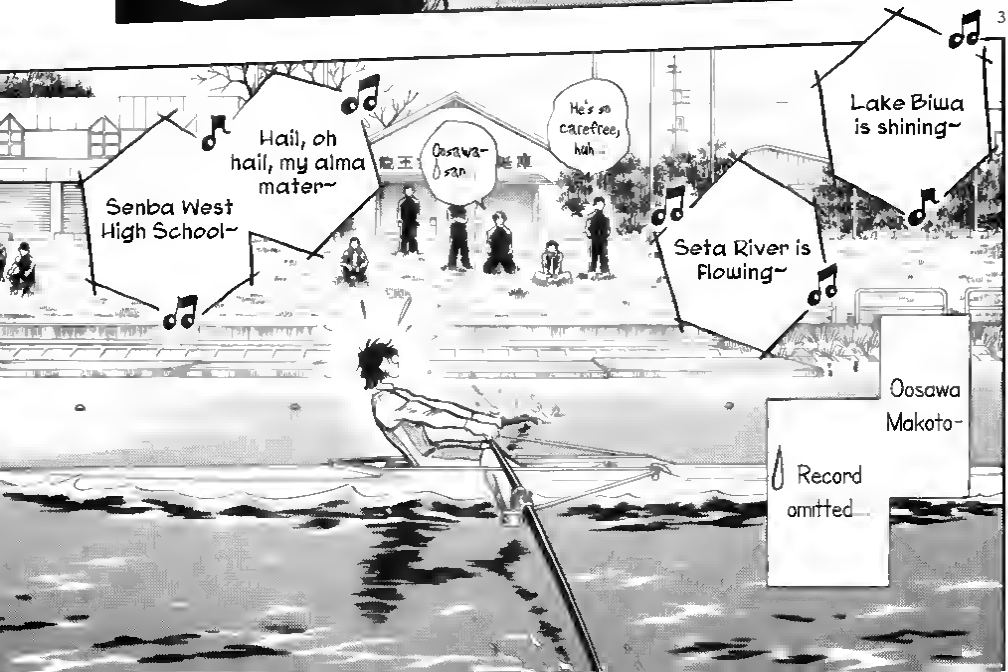
Chapter 52
The Remaining Seat

The second training camp of the Olympic selection has begun-
This session will decide the two participants in the men's double scull (lightweight division)-

Taki Daisuke
Olympic veteran and the current number one in Japan's rowing world...
2
Guh...
I can't take my eyes off him...
Ruling out unforeseen accidents, Taki-san's set to go to the Olympics...
Yeah
...So, there's only one seat left...
And the person in the best position to take it is...

His top speed is enough to surpass Taki
The young hope... who's proven his mettle at the Asian Games and more...
Kajiwara Shinji-

Hey, hey...
Don't you think Kajiwara-san's gotten even faster?
Definitely...
But even so, if you're talking speed, there's still Oosawa-san...



Hail, oh hail, my alma mater~
Senba West High School~
Oosawa-san
He's so carefree, huh...
Lake Biwa is shining~
Seta River is flowing~
Oosawa Makoto-
Record omitted...

It's gonna be so awe-some...
So he set it up
Yuuup, well, my old friend from school is working at a pharmaceuti-cal company now...

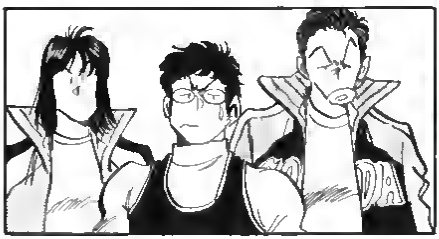
What!? A goukon!?
With nurses!?

Dirty bas-tard!
You bas-tard!
Why is it just you!?

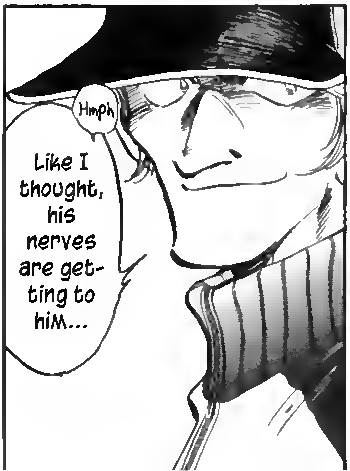
You're in the way...
If you want to fool around, go some-where else.

Would you guys shut up...

4

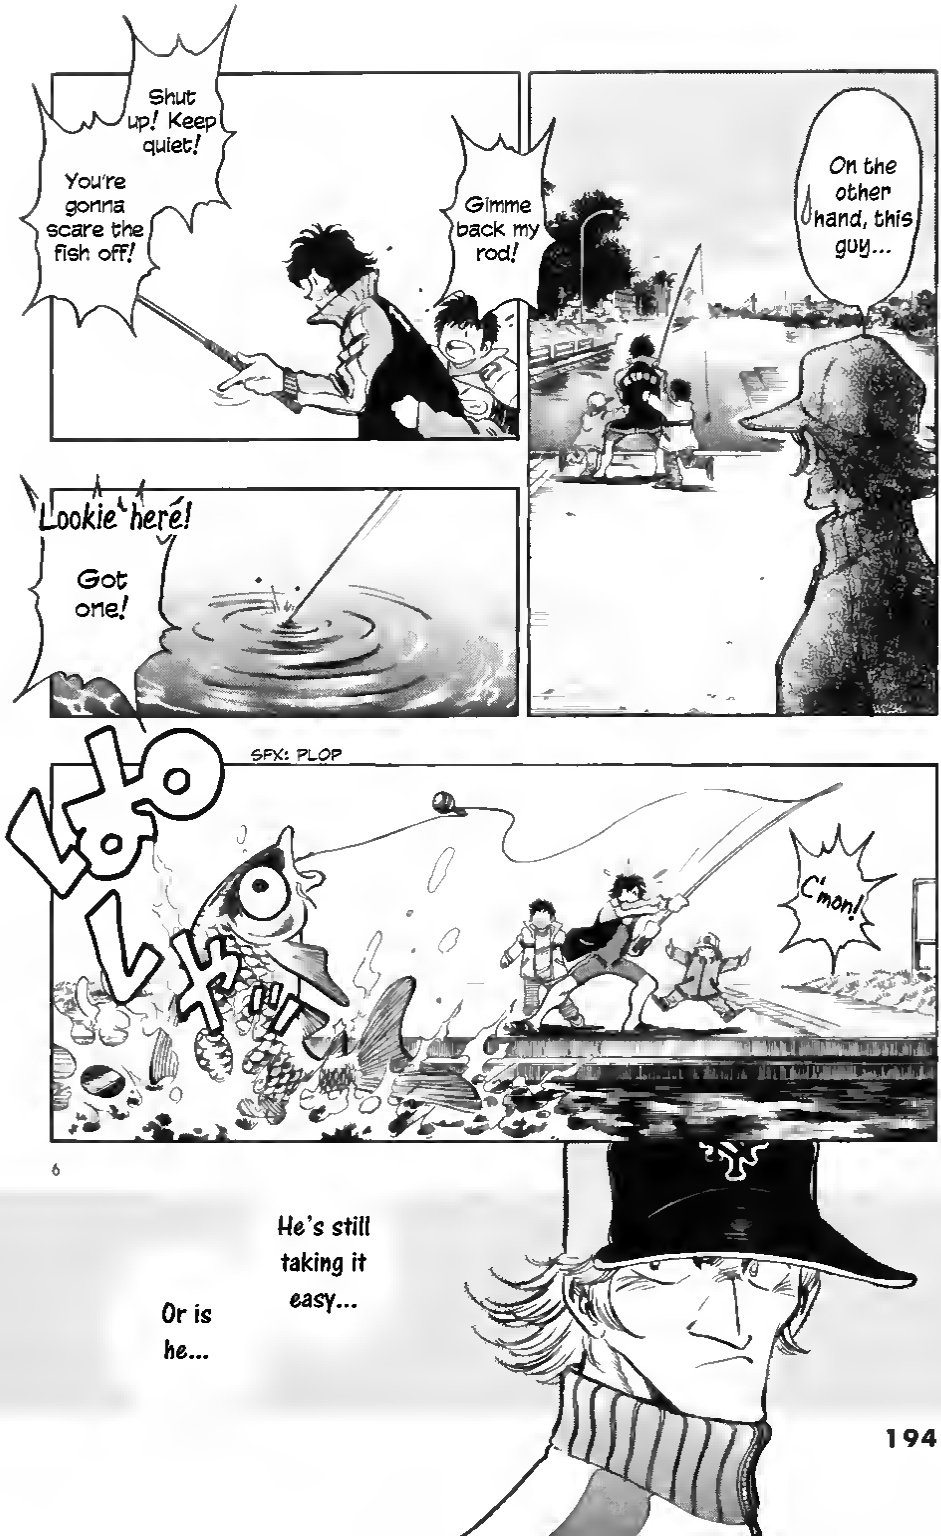


Don't lay your hands on my boat!
Hey now
How are we in the way, Kajiwara?
Do you think this boathouse belongs to just you?

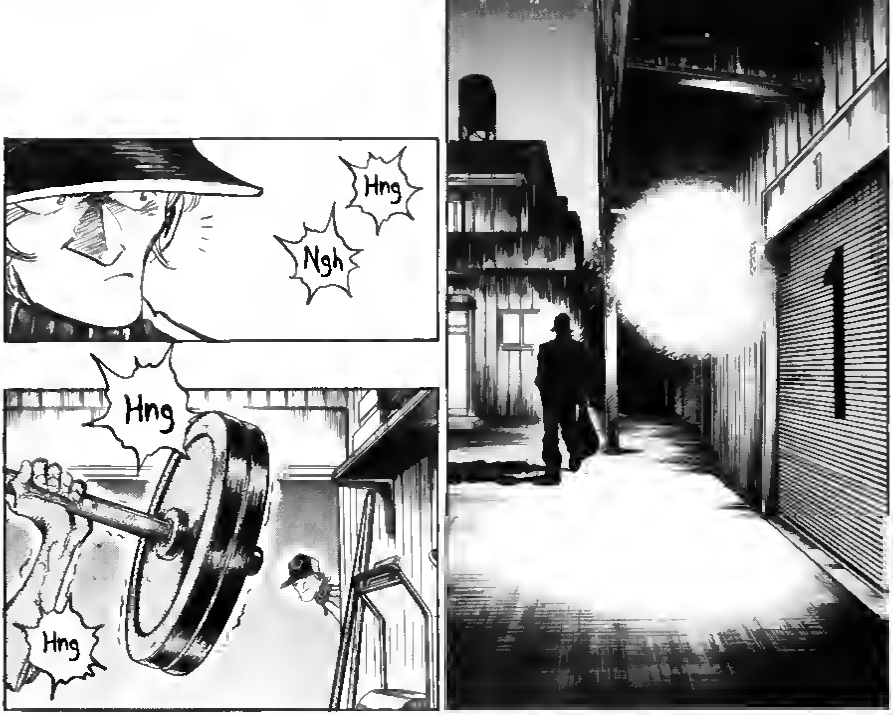


Hmph
Like I thought, his nerves are getting to him...

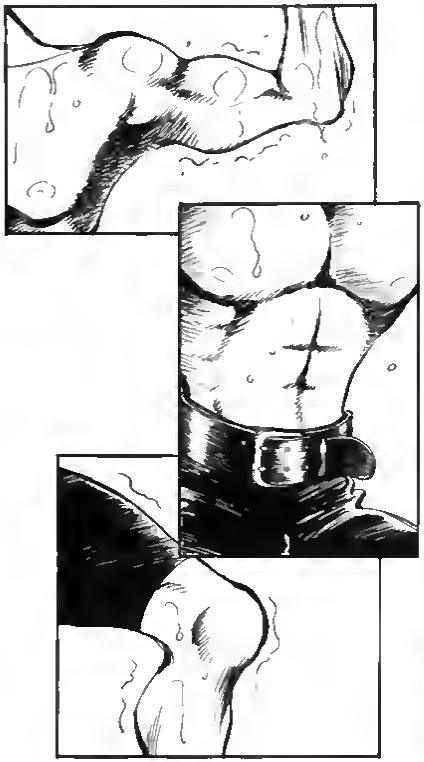
OKITA
自動車

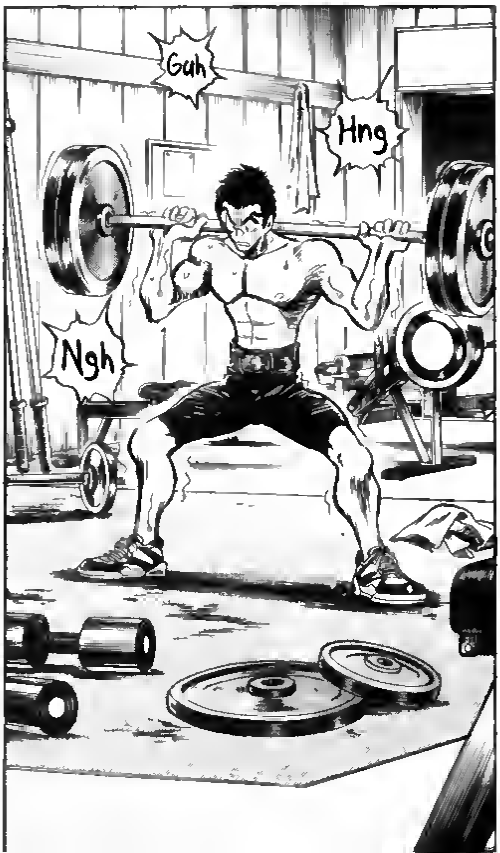


Shut up! Keep quiet!
You're gonna scare the fish off!
Gimme back my rod!
On the other hand, this guy...
Lookie here!
Got one!
SFX: PLOP
C'mon!
6
He's still taking it easy...
Or is he...

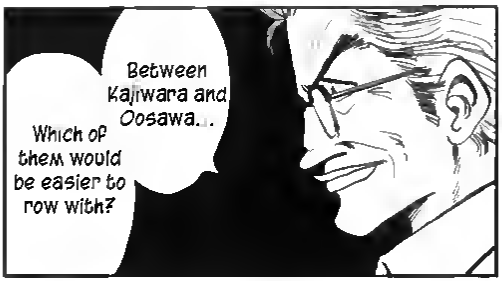


7





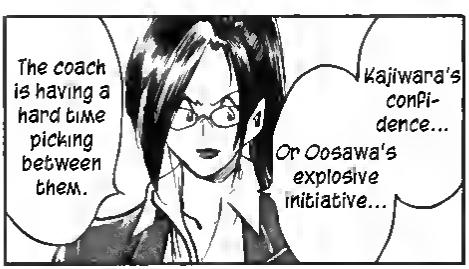
This guy's... become much more focused...
Coach...
What'd you want to talk about?
You've already been confirmed to go...
Looking at your times, nobody has any grounds to complain...
This is not to leave the room, but...
Oh, thanks...
Hey!
Look more happy about it!



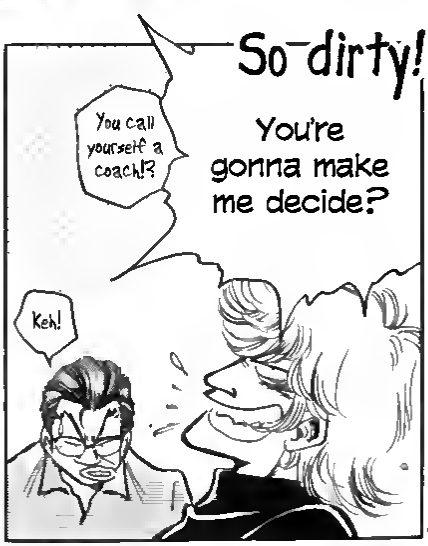
Between Kajiwara and Oosawa...
Which of them would be easier to row with?

I want to ask you something...
Please answer honestly..

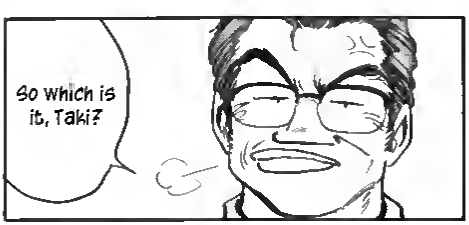
So, we could go either way...
Those two... time-wise, they're comparable...



The coach is having a hard time picking between them.
Kajiwara's confidence...
Or Oosawa's explosive initiative...

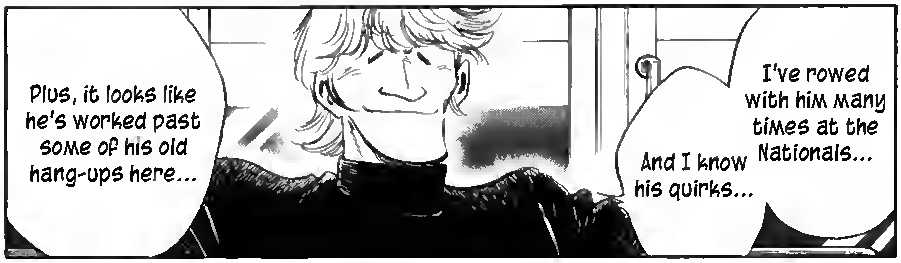


So dirty!
You're gonna make me decide?
You call yourself a coach!?
Keh!



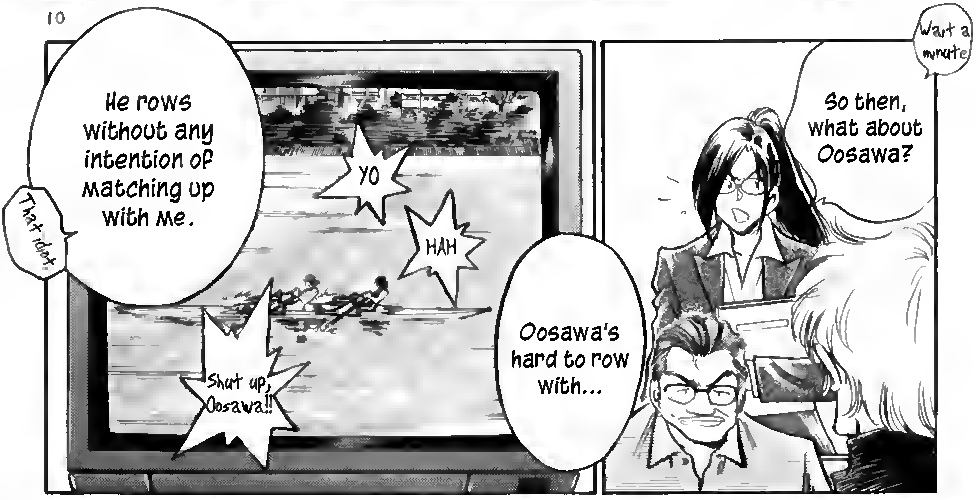
So which is it, Taki?

Kajiwara would be easier for me.



Plus, it looks like he's worked past some of his old hang-ups here...
I've rowed with him many times at the Nationals...
And I know his quirks...

10



He rows without any intention of matching up with me.
That idiot.
YO
HAH
Shut up, Oosawa!!
Oosawa's hard to row with...
So then, what about Oosawa?
Wait a minute

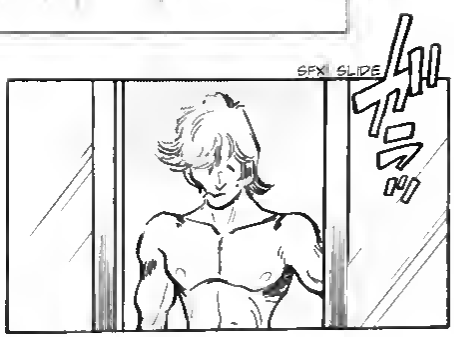
But could you win a medal...
with Kajiwara?
Hmph.
I can win a medal
no matter who you pair me with.
As long as I'm there.
Hmmmm...
Tch.

Anyway
Rather than worrying about it yourselves, why not have them decide?
Put them through a 2,000m race tomorrow and send the winner to the Olympics!
A sudden death race!
Would they agree...?
That's not how it works-
SFX: OPEN
I have no problem with that...
12
Let's do it...

All right!
Let's do this!
Wooo!
This suddenly got a lot more interesting!
Sighh
Don't be like that...

Bath

So you were in here, Oosawa...
Perfect!
You're racing with Kajiwara tomorrow.
Racing ...?



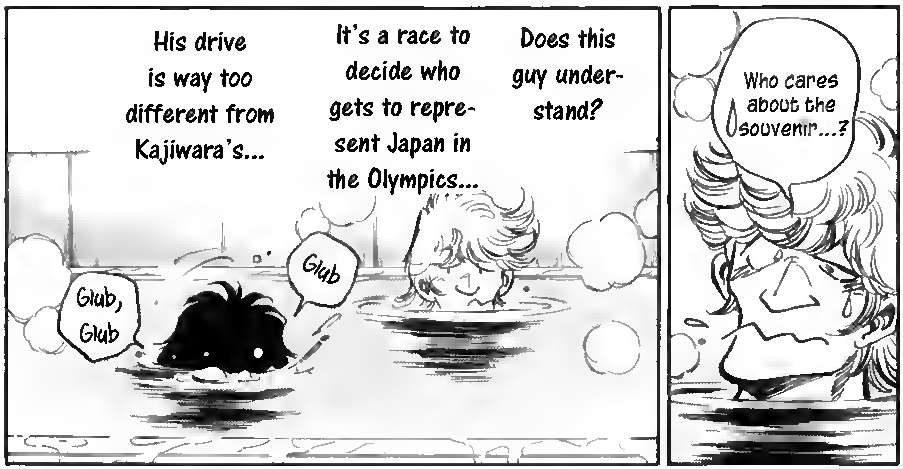
SFX SLIDE

13

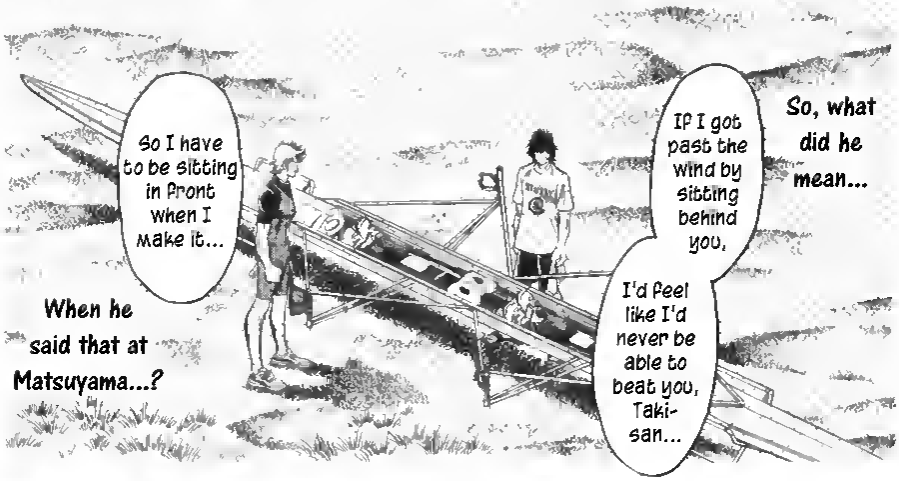
Hey
Oh

Ahh
'Issat so...
Huh?
The winner goes to the Olympics!
Wait a little longer...
It's Manyu from Lake Biwa
I haven't given you your souvenir yet.
I forgot...
Oh

14



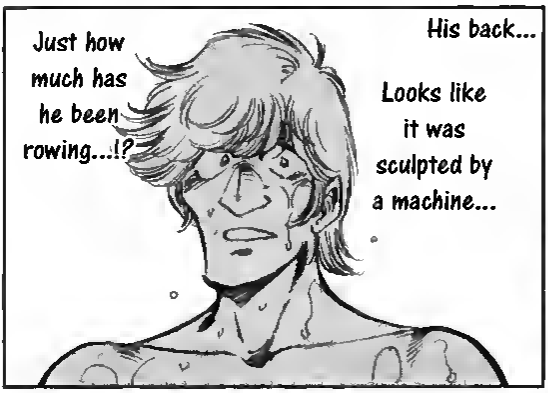
His drive is way too different from Kajiwara's...
It's a race to decide who gets to represent Japan in the Olympics...
Does this guy understand?
Glub, Glub
Glub
Who cares about the souvenir...?



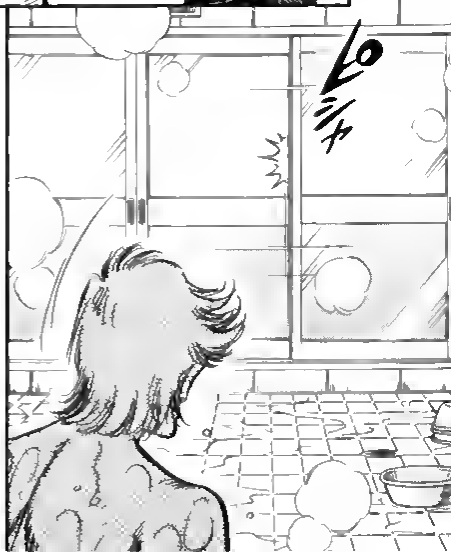
So I have to be sitting in front when I make it...
When he said that at Matsuyama...?
If I got past the wind by sitting behind you,
I'd feel like I'd never be able to beat you, Taki-san...
So, what did he mean...

SFX SPLASH
Well, then.
I'm getting out first...
.....
Tch.

SFX: PWIP

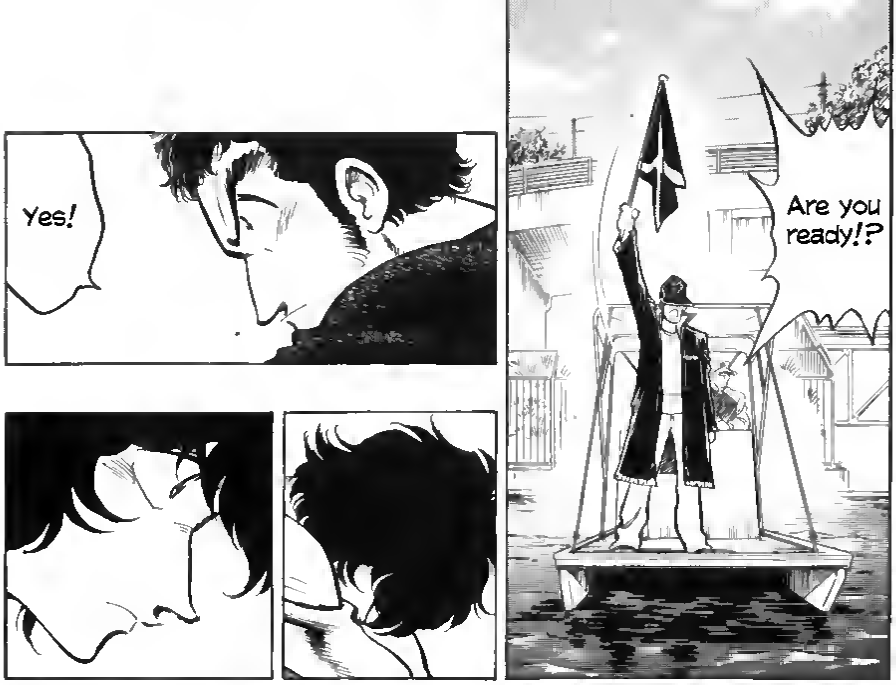


Just how much has he been rowing...!?
His back...
Looks like it was sculpted by a machine...

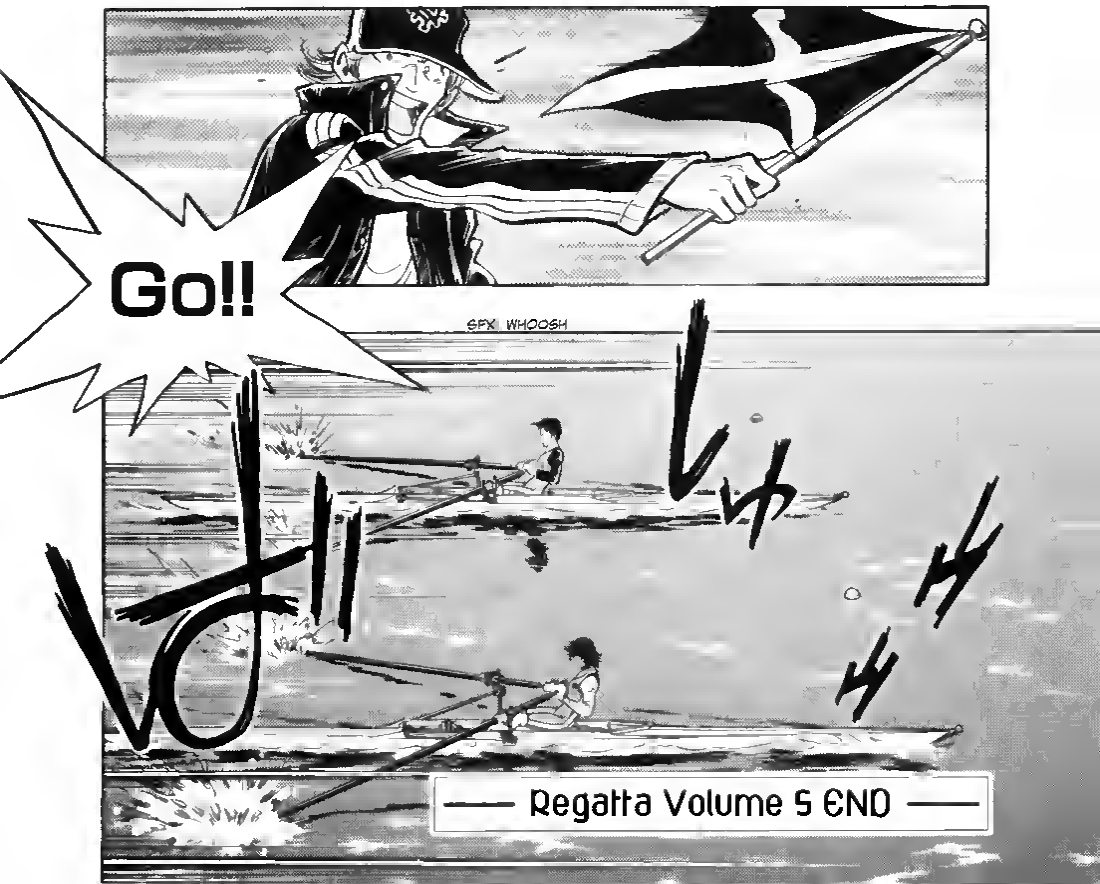


ゴシャ

The next day~
A race to the Olympics!?
RRC
So either Oosawa-san or Kajiwara-san — whoever wins — is going.
Ahh



Yes!
Are you ready!?



Go!!
